Bears Looking to Take Next Step in 2017

The 2017 Missouri State volleyball team is poised for another great season, and it's no wonder why. The Bears return the bulk of their roster from last season's 26-9 team, with four senior starters and combined experience of more than 700 collegiate matches.

With 50 wins, two NCAA Tournament trips and one Missouri Valley Conference title under their belts in the last two seasons, the Bears are plenty accomplished. But this year's version wants to take the next step, and appears ready to do so with a veteran roster loaded with big-match experience.

Experienced Setters

The Bears have plenty of options to run the offense, beginning with 2016 MVC Freshman of the Year **Daniele Messa (Bartlett, Ill.)**. Messa won a Valley-record seven MVC Freshman of the Week honors last season as a first-team all-conference pick, dishing out 1,333 assists to rank 10th all-time at MSU and second among freshman. She led all MVC players with 774 assists and a 11.22 average in league matches.

Senior **Lauren Boone (Branson, Mo.)** has a wealth of experience in 84 career matches, with several starts at setter and the right side. Her versatility includes a 40-assist match in the 2016 season opener, as well as a hitting percentage at .219 or higher in each of her first three seasons.

Freshman **Emelie Orlando (Wildwood, Mo.)** comes to the Bears from powerhouse Lafayette High, where she served as the starting setter for two state championship teams and earned first-team all-state and PrepVolleyball All-America honors as a senior.

Powerful Offense

Lily Johnson (Wildwood, Mo.) headlines a Missouri State offense that brings more than 3,700 combined career kills into the 2017 season, more than 1,700 of which belong to the three-time AVCA All-American and two-time reigning MVC Player of the Year. Johnson is the first player to lead the MVC in kills as a freshman, sophomore and junior, and is on pace to become the league's all-time kills leader midway through the season. Not just a one-trick pony, Johnson also enters her final year ranked 16th on MSU's career digs list.

Lily Johnson is a three-time All-American and two-time MVC Player of the Year

Lynsey Wright (Glen Carbon, Ill.) has carved out a stellar career of her own with 940 kills entering the 2017 season. The best slide attacker in the conference according to 22nd-year head coach Melissa Stokes, Wright provides a solid complement to Johnson on the right side of the floor. The athletic senior also possesses a strong jump serve while averaging at least 0.61 blocks per set in each of her first three seasons.

Junior **Cambree Villarreal (Amarillo, Texas)** came on strong in MSU's outside hitter rotation as last season progressed, finishing the year with 147 kills, including 14 in the MVC Tournament title match on the way to making the all-tournament team.

Fellow junior **Ashley Ophoven (Ozark, Mo.)** owns 62 career appearances and averaged 1.75 kills per set last season after a breakout freshman campaign on the outside.

MacKenzie Irwin (Joplin, Mo.) and **Mikaela Mosquera (West Chicago, Ill.)** round out Missouri State's junior class of hitters and middles, with each bringing at least 21 matches' worth of experience into their third seasons.

Aubrey Cheffey (Nixa, Mo.) appeared in 23 matches as a freshman and averaged 1.50 kills per set, and hit .350 or better six times in showcasing her ability to hit a variety of shots.

Laynie Dake (Mount Vernon, Mo.) is an explosive athlete whose first season was cut short after 12 sets due to injury, though she was awarded a medical hardship waiver to regain the year of eligibility and is a redshirt freshman in 2017.

MSU has a pair of talented freshmen vying for playing time at the net. **Alyssa Doucette (Eagan, Minn.)** helped Eagan High to three state titles and is in the mix to fill the void in the middle left by Simone House's graduation, while **Veronica Snelling (Glen Ellyn, Ill.)** earned high school All-America honors while playing for one of the best prep teams in the nation. Snelling's left-handed attack gives opponents a different look.

Deep Defensively

Missouri State returns a pair of defensive starters, beginning with junior **Emily Butters (Richmond, Texas)**, who has been the libero for every set since she stepped on campus. An exceptional passer, she became the first MSU sophomore to reach 1,000 career digs in 2016, and already owns

two of the top six single-season dig totals in school history.

Senior **Brianne Dixon (Springfield, Mo.)** is a team captain in 2017 and has been a wonderful asset to the program both on and off the floor during her career. Dixon rounded into form as a junior with 29 starts and 302 digs, with 10 or more in 13 matches. Also an outstanding student, Dixon has twice earned the MVC Elite 18 award, given to the player with the highest GPA in the conference tournament title match.

Another Kickapoo High graduate, sophomore **Gerri Idos (Springfield, Mo.)**, is a terrific defender who played in 76 sets last season. Idos' serve is also a weapon, and scored three aces in a match against Western Illinois last season.

The Bears have four newcomers in the defense department who took several different paths to arrive at Missouri State.

Maddie Back (Hot Springs, Ark.) and **Sam Brinkmann (St. Louis, Mo.)** are true freshmen who enjoyed stellar prep careers. Back was a setter in high school and defensive specialist on the club ciruit who served 515 career aces for Jessieville High.

Brinkmann garnered All-America honors from MaxPreps and earned first-team all-state honors while averaging in excess of seven digs per set as a senior for Class 3 state champion Lutheran High School South.

Ashley Dudenhoeffer (Jefferson City, Mo.) attended Missouri State and did not play volleyball during the Fall 2016 semester, but joined the Bears for the spring season in 2017. The redshirt freshman started at setter two years at Helias Catholic and earned PrepVolleyball All-America honors as a junior while helping the Crusaders to 43 wins and a state title.

Sydney Wright (Glen Carbon, Ill.), the younger sister of Lynsey Wright, spent the 2016 season at Central Arkansas, where she appeared in 10 matches as a true freshman. She played on the outside in high school before transitioning to the back row in college.

Lynsey Wright enters her senior season with nearly 1,000 career kills

The Schedule

Another rigorous test awaits the Bears in the non-conference schedule, and MSU will look to make its mark on a new-look Valley with the departure of Wichita State and Valparaiso's entry into the league.

Missouri State plays five matches against 2016 NCAA Tournament teams before MVC play, including a showdown with No. 8 Kansas on the second day of season. The Bears also take on Appalachian State and NC State while in North Carolina.

The season's second weekend is a trip to Ohio State, where the Bears will play the Buckeyes and Lipscomb in a tournament that includes three-fourths of last year's NCAA Manhattan Regional. MSU rounds out its time in Columbus against Oakland.

Week three is a trip west to face preseason No. 3 Washington, Pepperdine and Wyoming in Malibu, Calif., and the Bears host Chattanooga, Illinois, Washington State and Tennessee State at the annual Dr. Mary Jo Wynn Invitational from Sept. 14-16 at Hammons Student Center.

The Bears take a 16-match conference winning streak into MVC play, which begins Sept. 22 at Illinois State. MSU will play a full 18-match home-and-home league schedule that ends Nov. 18 at Loyola. The MVC Volleyball Championship takes place Nov. 23-25

MVC 25th Anniversary

The Missouri Valley Conference is celebrating 25 years of women's sports in the MVC this year, with initiatives to honor women student-athletes from the first 25 years of MVC competition, recognize outstanding achievements during the first 25 years of women in the MVC, bring attention to the current women student-athletes, honor the conference history of women's sports and its pioneers, and enhance future progress of women student-athletes.

Throughout the year, the Conference will select anniversary 'teams,' recognizing the most impactful student-athletes who competed at MVC sports from 1992-2017. Working with sports information directors at each MVC institution, the league will develop a ballot of 25 in each sport, and voting will take place to identify a Top 10. All voting will take place in the Fall 2017, and teams will be announced in conjunction with each respective sport championship event.

Criteria considered for inclusion on the ballot will include a number of factors, including All-America and All-Conference honors earned, national championships won, record-holders (league/school), etc.

Head Coach Melissa Stokes

22nd year
San Diego State (1991)

Entering her 22nd season as head coach at Missouri State in 2017, Melissa Stokes has posted a 464-222 record (a .676 winning percentage) and is the Missouri Valley Conference's all-time winningest coach in league matches with 271 MVC victories.

Stokes set the MVC wins record at Bradley on Sept. 30, 2011, to kick off an historic two-week stretch that included her 200th MVC win on Oct. 14 and her 350th overall victory the next night. She added her 400th career victory against Miami (Fla.) on Sept. 13, 2014, becoming the 46th active head coach to reach that milestone, and joining just three other active coaches to have 400 wins in less than 20 full seasons of experience at the time.

A member of the Missouri Sports Hall of Fame Class of 2017, Stokes has taken Missouri State to nine NCAA Tournaments during her tenure, all in the last 14 seasons, and the Bears have finished at least second in either the MVC regular season or tournament in 12 of the last 16 seasons.

Missouri State has won at least 20 matches in 17 of the last 18 seasons, helping Stokes to her No. 3 ranking in total victories in MVC history. In total, Stokes has mentored six All-Americans, four Academic All-Americans, 61 MVC Scholar-Athletes, 74 all-MVC selections and 52 MVC Players of the week.

The Bears had a season for the ages in 2016, going on a remarkable 17-match winning streak late in the year on the way to a 26-9 overall record and NCAA Tournament berth. After an 0-2 conference start, Missouri State won its next 16 league matches to claim the school's fourth regular-season MVC title. The Bears won their 17th match in a row with an MVC Tournament semifinal victory over Illinois State before falling in the championship match exactly two months to the day since their previous loss.

Stokes was honored as the MVC and AVCA Midwest Region Coach

Did you know???

Stokes leads all Missouri Valley Conference coaches in wins at his/her current school. Stokes has 464 wins at Missouri State and Bobbi Petersen is second with 434 wins at UNI.

of the Year, leading a host of Bears who were awarded on a conference and national level. Lily Johnson picked up honorable mention All-America laurels from the AVCA for a third consecutive season, and was a second-team CoSIDA Academic All-American while earning MVC Player of the Year honors for the second straight year. Daniele Messa was the MVC Freshman of the Year and a first-team all-conference pick after ranking 15th nationally in total assists, while Simone House and Lynsey Wright also earned all-MVC accolades and Emily Butters, Brianne Dixon and Johnson were MVC Scholar-Athlete selections.

Year 20 under Stokes continued MSU's run of excellence as the Bears went 24-11 overall and earned an at-large NCAA Tournament spot with a final RPI ranking of 35. Missouri State finished 13-5 in MVC play and advanced to the league tournament title match in what was a banner year for The Valley as four teams qualified for the Big Dance.

The 2015 season included plenty of individual honors as well, as Kinsey Batten and Lily Johnson became the first MSU teammates to earn All-America honors in the same season as honorable mention picks by the AVCA. Batten earned MVC Setter of the Year honors and led the nation with 1,522 assists, while Johnson was voted the league's Player of the Year as the first MSU player to earn All-America honors multiple times in a career after ranking third nationally in kills and fourth in points. In all, seven different Bears were recognized by the MVC during the season with either a weekly or postseason award.

Honors continued to roll in well into the offseason as Johnson, Emily Butters and Lynsey Wright each participated in the U.S. Women's National Team Open Tryouts and earned spots competing for the Collegiate National Team in the summer of 2016.

The 2014 season was highlighted by a pair of first-team all-conference outside hitters in Olivia Brand and Lily Johnson, with Johnson becoming the program's sixth All-American, and first freshman to do so, as an honorable mention AVCA choice.

MSU hit the 20-win mark again in 2013, finishing the season 21-11 while ranking 51st or better in the NCAA in assists, digs and kills per set. Senior setter Carly Thomas also became the program's fifth All-American, earning honorable mention honors for the AVCA.

The 2011 Bears went 22-9 and placed second in the MVC with a 15-3 league mark to earn an NCAA at-large selection. Missouri State lost at Pepperdine in the first round, and finished the season 26th nationally in kills per set while also recording more digs than the opposition in all but two matches.

Senior Calli Norman finished her career as the third player in MVC history to earn first-team all-MVC recognition four times, while Carly Thomas led the MVC in assists as an AVCA all-Region choice.

The Bears made a return to the NCAA Tournament in 2010, going 21-10 overall and 12-6 in perhaps the toughest MVC field ever. Missouri State received an at-large selection as the league tied its 2007 record of four NCAA berths as a conference.

Junior Kelley Michnowicz became the third All-American under Stokes, earning honorable mention laurels from the AVCA, while Calli Norman became one of the few players in MVC history to earn first-team all-conference honors her first three seasons.

MSU made it four straight NCAA appearances in 2008 after finishing 23-13 overall and winning the State Farm MVC Tournament with victories over Illinois State, unbeaten and ninth-ranked Wichita State, and UNI in the final. The Bears' five-set win over the host Shockers was the first loss of the year for WSU after it cruised through the regular season at 29-0.

The 2007 Bears went 25-8 and tied for second in the league with a 14-4 MVC mark on the way to another NCAA berth. It was a banner year for the MVC as a record four teams earned invitations to the NCAA Tournament.

Stokes guided Missouri State to new heights in 2006, as the Bears earned the first NCAA Tournament win in school history with a 3-1 first-round victory at Arkansas. MSU ended the year 27-9, achieving 27 victories for the third time in Stokes' tenure. Missouri State reached another milestone in November, becoming the second program in NCAA Division I history to win 1,000

matches with a home sweep of Indiana State. The Bears reached the MVC Tournament championship match for the fifth time in the last six seasons, and placed three student-athletes on both the all-conference and MVC Scholar-Athlete team.

Stokes had one of her strongest teams in 2005, placing all four seniors on the All-Missouri Valley Conference teams and taking the Bears to the NCAA Tournament for the second time in her tenure and the fifth in school history. The Bears posted a 24-9 overall record and placed second in the league during the regular season with a 15-3 record. The Bears made the MVC Tournament championship match and won the title by sweeping regular-season champion Wichita State. The Bears also had success in the classroom, with all four seniors posting a 4.0 grade-point average in both semesters and the team posting a 3.51 cumulative grade point average.

In 2004, Stokes did one of her best coaching jobs, taking a team with only two returning starters and making it a force in the Valley. The Bears rolled into the championship match of the State Farm MVC Tournament and took regular-season champion Wichita State to five sets on the Shockers' home floor. The loss meant the Bears narrowly missed a second straight NCAA Tournament appearance, but they finished with a 23-10 overall record and tied for second in the Valley regular-season race.

Power Five Wins Under Stokes

The Bears have won 24 matches against schools from current Power Five football conferences since Stokes became head coach. MSU has defeated Arkansas four times, the most of any such school, while adding wins against Miami (Fla.) (twice), and single victories versus Boston College, Florida State, Illinois, Indiana, Iowa, Iowa State, Kentucky, Mississippi State, North Carolina, North Carolina State, Northwestern, Ohio State, Oklahoma, Oregon State, Pittsburgh, Syracuse, Texas A&M and Utah.

Stokes has guided the Bears to eight wins against the Atlantic Coast Conference (seven different schools), seven against the SEC, five versus the Big Ten, and two each against the Pac 12 and Big 12.

In 2003, the Bears claimed their first outright MVC title in 20 years and Missouri State advanced to the NCAA Tournament for the first time under Stokes. The Bears spent four weeks ranked in the AVCA/USA Today Top 25 poll and Stokes was the MVC Coach of the Year for the first time in her tenure at MSU.

Additionally, Linette White became the first Missouri State player to earn All-America accolades from the American Volleyball Coaches Association.

The Bears finished second in the Valley standings each of the previous two seasons (2001 and 2002) with 15 league wins each year. Prior to that, the Bears moved up the Valley standings every year (fourth in 1999, third in 2000 and second in 2001).

Missouri State won at least 21 matches each year from 1999-2011, going 308-119 overall (.721 winning percentage) and 180-54 in Valley matches (.769) during that stretch. At home, the Bears went 160-33 (.829) over that same span.

In 2001, Stokes led Missouri State to 15 MVC wins against three league losses and the Bears' second-place finish in The Valley was the best finish since 1993. Missouri State also advanced to the Valley tournament title match for the first time since 1993 and was ranked as high as seventh in the Central Region.

The Bears were 27-7 and 14-4 in The Valley in 2000. Missouri State was third in the Valley's final regular season standings and the 27 victories were the most for a Missouri State team since the 1982 season.

A native of El Cajon, Calif., Stokes took over at Missouri State in 1996 and promptly led her first squad to a 20-win season as the Bears went 20-11 in what was her first season as a college head coach. The 20 wins and tie for third at the MVC Tournament marked the program's best efforts since 1993.

The 1997 squad was an offensive powerhouse, leading the conference and ranking sixth in the nation with a 17.52 kills per set average, a new school record. Missouri State's Michelle Witzke (5.70) and Joleen Meservy (4.88) ranked one-two in the league in kills and both were among the nation's top 20. The Bears also ranked second in The Valley in digs per set.

The 1999 Bears finished with a 22-12 record overall, a fourth place finish in the Valley and a berth in the conference postseason tournament. The 22 victories were the most since the 1993 club went 22-8, and the 11 league wins marked the sixth time Missouri State had won 10 or more league matches since joining the MVC in 1992.

A 1991 graduate of San Diego State University, Stokes came to Missouri State after four years as an assistant coach at the University of Idaho. At Idaho, she worked under head coach Tom Hilbert and served as the Vandals' recruiting coordinator. Stokes helped put together teams that won four straight Big Sky Conference championships, earned four NCAA Tournament berths and went 103-21 (.831) during her stay in Moscow.

In 1995, Idaho went 28-5 and was nationally ranked for six weeks, finishing 21st in the final poll after losing in the NCAA first round. In 1994, the Vandals were ranked for 10 straight weeks during a 31-3 season and ended up 19th after getting to the NCAA second round for the second year in a row. Idaho was 24-6 in 1993 and 24-7 in 1992.

Assistant Coach Jake Barreau

Fourth Year
Wisconsin (2013)

Jake Barreau is in his fourth season with the Bears after joining the program in June 2014. Barreau works extensively with MSU's defensive players, helping the Bears rank fifth nationally in total digs in 2015 and eighth in 2016. Additionally, Missouri State has ranked first or second in the Missouri Valley Conference in service reception the last three seasons, averaging 0.86 or fewer opponent aces per set each year. The Bears have accumulated 70 wins, two NCAA Tournament trips and the 2016 MVC regular season title during Barreau's tenure.

Seven Bears have earned a total of 11 all-MVC selections since Barreau joined the staff, with Lily Johnson earning AVCA All-America honors three times times and Kinsey Batten joining her on the team in 2015. Those two players also earned MVC Player and Setter of the Year laurels, respectively, that season, while Johnson repeated as MVC Player of the Year in 2016. Barreau helped Emily Butters set the school's freshman record with 568 digs in 2015 before becoming the first sophomore in school history to reach 1,000 career digs.

Barreau was a recipient of the American Volleyball Coaches Assocation Thirty Under 30 Award in 2016, given annually to thirty up-and-coming volleyball coaches under 30 years old in the sport at all levels of the game. He also worked on the statistical crew at the U.S. Women's National Team Open Tryouts in March 2017.

Prior to joining the MSU staff, Barreau spent the 2013 season as a volunteer assistant for Wisconsin's NCAA runner-up team. While working for his alma mater, Barreau prepared scouting videos and assisted in practice drills for the Badgers while training a pair of All-Americans in setter Lauren Carlini and outside hitter Ellen Chapman. He then spent the spring of 2014 as assistant coach and recruiting coordinator at Chicago State before joining MSU.

Before coming to the collegiate ranks, Barreau was the head girls volleyball coach at Monona Grove High School in Monona, Wis., for three years, mentoring a total of 10 all-conference players and guiding the club from an eight-win season in 2010 to 15 victories in 2011. He also spent four years at the Capital Volleyball Academy in Stoughton, Wis., serving as head coach of the Boys 14 Red and Girls 14 Red clubs while assisting the 17 Red team that placed third at the AAU national tournament in 2012.

Barreau was also extensively involved in the Wisconsin club volleyball programs while an undergraduate, leading the UW women's club "A" team to a 45-5 record and ninth-place national finish in 2012-13 while coaching three All-Americans. He also served on the staff a year earlier as the team won the 2012 NCVF national title.

Barreau also played for the Wisconsin men's club team that reached as high as fourth in the national rankings, earning second-team all-conference honors in 2012 and being named the 2010 and 2011 Big Ten Men's Volleyball Association Defensive Player of the Year.

A native of Portage, Wis., Barreau graduated from Wisconsin in 2013 with degrees in marketing and Spanish.

FACILITIES

JQH Arena has been the home of the Missouri State Bears basketball teams since its official opening in November 2008. The world-class arena seats more than 11,000 and has a state-of-the-art video scoreboard. Hotel developer John Q. Hammons made JQH Arena possible with a donation of $30 million.

John Q. Hammons Student Center is the home of the MSU volleyball and swimming teams, which has a main arena capacity of 4,646 permanent reserved seats.

Jim D. Morris Basketball Complex opened in December 2013 thanks to a major gift from Springfield philanthropist Jim D. Morris. The complex, located on the south side of JQH Arena, features locker rooms for both MSU basketball squads, coaches' offices, an athletic training facility and state-of-the-art team video and meeting rooms.

Plaster Strength Center is one of the largest of its kind in the Missouri Valley Conference. Strength coach Jeremiah Frey and his staff supervise the free weight-based facility.

Plaster Stadium is the home of Missouri State football. The 17,500-seat facility includes a 4,000-seat precast concrete east grandstand and a new FieldTurf playing surface thanks to the passage of MSU's B.E.A.R. Fee, which will provide $1.4 million annually toward four separate athletics facility upgrades in the coming years. A game day meeting room for the Bears and a visitor's locker room are also features of the new Plaster Stadium.

Twin Oaks Country Club officially became the exclusive home of the Missouri State's golf teams in November 2016. The indoor facility includes three hitting bays, putting green, team lounge, coaches offices and storage for the MSU men's and women's programs. The hitting bays operate as indoor stations or as extensions of the award-winning Twin Oaks driving range that incorporates artificial turf greens. The teams will have access to the Flight Scope 3D Doppler ball tracking golf simulator and swing analysis system.

Hammons Field is located just blocks from the Missouri State campus. The 8,000 seat, natural grass stadium includes 28 luxury suites, five party decks, six food and beverage outlets, a souvenir shop and a club lounge. The Bears, who hosted the 2015 NCAA Springfield Regional at Hammons, welcomed the MVC Championship to Springfield for the fourth time this past May.

Killian Softball Stadium opened in March 2009 as the home to the Missouri State softball team. Operated by the Springfield-Greene County Park Board, the East Springfield venue offers seating for up to 1,200 spectators and served as host of the 2011 MVC Softball Championship.

Fee, the facility features a synthetic track and permanent concrete grandstand with seating for up to 1,000. MSU will host the 2016 MVC Men's Soccer Championship at Allison South in November.

SPORTS MEDICINE

Athletic Medical and Rehabilitation Services

The Missouri State Athletic Medical and Rehabilitation Services staff has more than 100 years combined experience in athletic training. Included are director Jim Penkalski; assistant director Shannon Derricks; and athletic trainers Suzie Atkinson, Tyler Landgraf, Steve Sawchak and Kristian Stewart, as well as rehabilitation specialist and performance enhancement coordinator Mitch Hauschildt. All are certified by the National Athletic Trainer's Association and licensed by the Missouri State Board of Healing Arts. Five intern athletic trainers join the full-time staff, along with a host of athletic training students who work with student-athletes under the supervision of staff members.

Another essential asset to MSU student-athletes is the involvement of physicians and medical personnel from the community and Missouri State's Taylor Health and Wellness Center. Head team physician Landon Hough, as well as team physicians Shawn Freeman, Royce Moore, Richard Seagrave, Victor Wilson and Rodney Witt and dietician Natalie Allen, attend to the medical needs of over 400 Missouri State student-athletes.

Strength and Conditioning

Physical development of more than 400 student-athletes to increase athletic performance, decrease the chance or severity of injury and enhance sport-specific athletics development are the goals of Missouri State Strength and Conditioning.

Director of strength and conditioning Jeremiah Frey, along with assistant strength coaches Brice Cox and Adam Lang, supervise the newly-renovated 7,200-square-foot Plaster Strength Center that is utilized by all 17 sports.

Frey and his staff guide the student-athletes through programs designed to improve individual skills and overall team performance. The programs integrate all phases of development, including free weights, multi-joint exercises, plyometrics, conditioning, flexibility, speed and nutrition.

The strength and conditioning staff works with coaches and Athletic Medical and Rehabilitation Services to develop programs suited for each sport and its student-athletes. Areas of concern in each participant are identified and a strength program is put in place to address all items with the ultimate goal of improving competitive performance.

Missouri State University is a public, comprehensive metropolitan system with a statewide mission in public affairs, whose purpose is to develop educated persons. The University's identity is distinguished by its public affairs mission, which entails a campus-wide commitment to foster expertise and responsibility in ethical leadership, cultural competence and community engagement.

President

10th Year at Missouri State

Clifton M. "Clif" Smart III has served as the 11th president of Missouri State University since June 27, 2011.

Missouri State University has demonstrated significant progress under Smart's leadership. The university has set new enrollment records each year, increasing total enrollment by more than 2,000 students. Missouri State has also increased the number of underrepresented students by 33% and the number of international students by 18%. Missouri State has implemented fifteen new degree programs, two of which are doctorate programs. The University has achieved a Silver STARS rating from the Association for the Advancement of Sustainability in Higher Education and constructed or extensively renovated more than a dozen major campus facilities. The university has also received a historic level of external support, setting records in state appropriations, private gifts and grant funding.

Smart is committed to college affordability. Under his leadership, the university has raised tuition by less than the amount of inflation, meaning it is less expensive to attend Missouri State now than when Smart first became president. He is known throughout campus and the state of Missouri for his collaborative leadership and strong relationships with students, faculty and staff. Having lived in Missouri for more than two decades, Smart maintains strong ties with leaders throughout the state and is actively engaged in the local community.

Smart currently serves as the president of the Council on Public Higher Education in Missouri and recently served on the NCAA Division I Board of Directors. He has also served on boards and committees for the Missouri Department of Higher Education, Springfield Area Chamber of Commerce, CoxHealth, Arc of the Ozarks, Springfield Innovations, Inc., Isabel's House, First Baptist Church and numerous other professional and community organizations.

Before his presidency, Smart served as the Missouri State University's general counsel. Before coming to Missouri State University, Smart had a private legal practice in Springfield, Missouri.

Smart lives in Springfield, Missouri, with his wife, Gail.

kyle MOATS

Director of Athletics

Ninth Year at Missouri State

Missouri State University's search for its new director of athletics concluded May 28, 2009, with the introduction of Kyle Moats as the University's 10th A.D. Moats came to the University after serving as associate athletics director for national marketing at the University of Louisville since 2005.

During Moats' tenure at MSU, he has hired seven head coaches, while leading the charge for facility upgrades totaling nearly $22 million, including the Dr. Mary Jo Wynn Academic Achievement Center project, the Jim D. Morris Basketball Complex and new or renovated home facilities for 12 of MSU's 17 sports. In 2013-14, he helped spearhead the passage of the Bear Experience and Recreation (B.E.A.R.) Fee, which will generate $1.4 million annually toward the enhancement of four separate athletics facilities upgrades, including the construction of a new east side complex for student seating at Plaster Stadium, a new sand volleyball facility, as well as the Betty & Bobby Allison North (field hockey) and South (soccer, track and field) Stadiums.

In addition to being able to implement several facets of Missouri State's long-range athletics facility improvement plan through the B.E.A.R. Fee, Moats' played a pivotal role on the task force that paved the way for the reinstatement of women's tennis as a varsity sport in September 2013. As a result of the task force's careful evaluation and recommendation, President Clif Smart announced the return of women's tennis for the 2014-15 academic year, making it the 11th women's sport and the 17th varsity program to operate under the MSU Athletics umbrella. Missouri State's decision to revive the program after an eight-year hiatus will ensure the University's long-term compliance with Federal Title IX regulations. Additionally, Moats played an integral role in MSU's negotiations for a new multi-year television contract with Nexstar Broadcasting, Inc.

In a busy first year on the job, Moats wasted little time in laying groundwork for the future of Missouri State Athletics. From day one he emphasized the importance of fostering a strategic vision in the current landscape of intercollegiate athletics by involving all corners of the campus community in developing a long-range plan for the MSU Athletics. Moats played a key role in Missouri State's partnership with Nelligan Sports Marketing (now Learfield Sports), announced in February 2010.

Year two for Moats in Springfield saw Missouri State finish second in the 2010-11 MVC All-Sports Trophy standings — its best finish in five years. Conference titles by men's basketball, women's swimming and softball, as well as postseason tournament berths for both MSU basketball programs highighted the Bears' year.

In 2011-12, Moats' third year at the helm, Missouri State enjoyed its finest campaign in nearly a decade, capturing the Missouri Valley Conference All-Sports Trophy for just the fourth time. The Bears won Valley titles in women's swimming and diving, women's indoor track and field, women's basketball and women's golf that year along with a co-championship in men's soccer. Additionally, four MSU teams advanced to postseason play, including NCAA Tournament appearances for the Bears' volleyball, women's golf and baseball programs.

Moats' efforts helped make the Jim D. Morris Basketball Complex a reality during the 2012-13 academic year. The $3.7 million construction project, completed in December 2013, features state-of-the art locker rooms, training facilities, offices and meeting space in JQH Arena. Additionally, all MSU athletic programs have met the NCAA's APR requirements in each of the last three years, while a record 177 student-athletes posted grade-point averages of 3.25 or better in 2013-14.

Prior to his arrival in Springfield, Moats spent four years as associate athletics director for national marketing at Louisville. In that capacity, he coordinated the Cardinals' efforts in national awareness, marketing, branding and group ticket sales. He also worked closely with Nelligan, which manages the exclusive marketing rights for Cardinal Athletics. Moats oversaw the Louisville band and spirit squads as the liaison with student government and student spirit groups.

Prior to joining the Louisville staff, Moats served as senior associate athletic director for two years at Marquette University, where he oversaw the Golden Eagles' Blue and Gold Fund, media relations, ticket operations, special events, licensing, radio, television, marketing and promotions and sponsorships with NSM. He also worked 14 years in the University of Kentucky athletics department, including his last three there as associate athletics director for marketing (2000-02).

A native of Dixon, Ill., Moats is a 1988 graduate of Southern Illinois University at Edwardsville with a bachelor's degree in physical education. Moats was a three-year letterwinner in golf and a student assistant basketball coach for the Cougars from 1985-88. He earned a master's degree in sports management from the University of Kentucky in 2001.

Moats and his wife, Leeann, have a son, Kirk, and a daughter, Lauren.

Bears Rise to Top of the Valley

MSU ends season with MVC title, 26 wins and NCAA Tournament appearance

The 2016 Missouri State volleyball season will go down as one of the most memorable in program history. Highlighted by a 17-match win streak, the Missouri Valley Conference regular-season championship, and the MSU's ninth NCAA Tournament berth in 14 seasons, the 2016 Bears continued to add to the storied tradition of Missouri State Volleyball.

Tough Schedule, Good Results

The Bears played arguably the toughest non-conference schedule in school history, with seven matches against 2015 NCAA Tournament teams in the season's first four weeks, and four top-15 opponents in the first eight matches.

MSU began the season in Champaign, Ill., with a five-set loss to Xavier in the opener.

Simone House hit .311 in her career, the third-best mark in MSU history, and was a first-team all-MVC pick in 2016

The Bears rebounded for a pair of wins the next day, sweeping Arkansas and upsetting 14th-ranked Illinois in five sets behind 17 kills apiece from Ashley Ophoven and Lily Johnson.

A trip to Hawai'i followed with MSU losing 3-0 to the 15th-ranked Rainbow Wahine and 3-1 to No. 8 UCLA before closing the trip with a sweep of Pacific. Aubrey Cheffey hit .600 with a team-high 11 kills in the finale on the way to MVC Freshman of the Week honors.

Missouri State stormed through the annual Dr. Mary Jo Wynn Invitational the next week, opening with a 3-0 win against McNeese.

The Bears faced yet another ranked foe the following night, and earned another top-15 win after a thrilling 3-2 victory over No. 12 Ohio State. Lynsey Wright hammered a season-high 20 kills against the Buckeyes to earn MVC Player of the Week honors after helping the Bears knock off their highest-ranked opponent since 2008.

Missouri State dropped only one set on the final day of the Wynn Invitational in victories over Western Illinois and IUPUI to win its annual home tournament with a perfect 4-0 record.

A midweek trip to Arkansas State followed and the Bears exacted revenge on the Red Wolves for a 2015 loss with a 3-1 win behind 19 kills from Lily Johnson.

MSU finished out the non-conference schedule at the Marquette Invitational, extending its winning streak to seven with a sweep of Milwaukee in the first match of the tournament.

Lily Johnson was the repeat MVC Player of the Year and earned AVCA All-America honors for the third straight season

The final day of action before MVC play saw the Bears sputter in losses to a pair of eventual NCAA Tournament clubs, falling 3-0 to Iowa State and 3-1 to Marquette to close the pre-conference slate with a 9-5 record.

0-2 Start to MVC Play

The start of conference play extended MSU's losing streak to four matches after five-set setbacks against a pair of top-tier league foes.

The Bears lost the first set to Wichita State 26-24 in what ultimately swung the match in favor of the Shockers, and lost 15-13 in the fifth set on Sept. 26 against Southern Illinois to fall to 9-7 overall and 0-2 in Valley play.

Little did the Bears know it at the time, but that would be the team's last loss for two months.

The Streak

Missouri State's first win of the streak was a precursor to superlatives to come the rest of the year, as the Bears earned their first victory at UNI since 1990 after Wright recorded a block and a kill for the final two points of a 15-13 fifth-set win.

Johnson tallied 25 kills against the Panthers, and out-did herself the following night with 33 kills in a 3-2 win at Drake, the most for an MSU player since 1998.

The Bears returned home for consecutive sweeps of Bradley, Loyola and Evansville, hitting at least .378 as a team in the final two matches, with freshman Daniele Messa's setting performance earning her the first of six consecutive MVC Freshman of the Week honors.

Lynsey Wright earned second-team all-MVC honors

Missouri State rallied behind 25 Johnson kills to win the final two sets of another five-setter Oct. 14 at Illinois State, then hit .394 the next evening to cruise past Indiana State in three sets.

The Bears avenged their conference-opening loss to Wichita State with a 3-1 win at WSU on Oct. 21, holding the Shockers to a .167 attack efficiency, and returned to Hammons Student Center one week later to dispatch Drake 3-0 for their ninth consecutive victory.

The win streak reached double digits on Oct. 29 thanks to 21 kills from Johnson and 26 digs from Emily Butters in a 3-1 triumph for the season sweep of UNI.

Missouri State hit the road for the first weekend in November, hitting above .300 in each sweep of Loyola and Bradley, then beat Indiana State in straight sets on Nov. 11 before taking the final three sets from Illinois State for a 3-1 Senior Night victory over the Redbirds.

Missouri State clinched the MVC title on Nov. 18 after making quick work of Evansville in a 3-0 win, and was pushed to the limit by Southern Illinois in the regular season finale one day later.

The Bears won the first two sets at SIU before the home team rallied to force a fifth period. The Salukis led 13-11 in the fifth when Wright's kill sparked a closing 4-0 run for MSU's school-record 16th consecutive MVC victory and a 16-2 final league record.

Another MVC Final

The Bears advanced to the MVC Tournament title match for the eighth time in the last 16 seasons, but not before scraping by fifth-seeded Illinois State in five sets in the semifinal. Butters scooped a season-high 27 digs and both teams had at least 90 digs and hit below .190 in the defensive struggle.

The win improved the Bears to 26-7 overall, the highest win total since 2006, while their 17th consecutive win marked the fifth-longest streak in school history and the longest since 2003.

That set up a rematch of the classic 2015 MVC final with Wichita State, as well the rubber match of the season series with the Shockers. Three of the four sets in the match were decided by two points, two of them required at least 28 points to win, and WSU came out on top of the 3-1 final to end Mis-

Senior Tatum Marshall finished her career seventh in MSU history with 465 sets played

souri State's winning streak exactly two months to the day since MSU's last defeat.

NCAA Rematch

Missouri State's ninth NCAA Tournament in 14 seasons took place in Manhattan, Kan., and began with a rematch of the Bears' Sept. 9 win over Ohio State. The Buckeyes were the better team in round two, hitting .327 while keeping the Bears off-balance for much of the contest. Missouri State had a set point to extend the match in the third, and spoiled five OSU match points in the process before losing 31-29.

Updates to the Record Book

Johnson continued her assault on Missouri State's record book, finishing with the third-best kill total (604) in MSU history while becoming the fourth MVC player to lead the league in kills three times.

Johnson also became the sixth Bear with at least 1,000 kills and 1,000 digs, and ended her junior year ranked second in MSU history in career kills.

Butters became the first MSU sophomore to reach 1,000 career digs, finishing the season with 578 for the fifth-best total in program history. Her 4.28 career per set average also ranks as the best at Missouri State.

Messa dished out 1,333 assists on the year, second all-time among MSU freshmen and 10th-best overall.

Simone House concluded her career third in school history with a .311 attack efficiency, and Tatum Marshall's 465 sets played were good for seventh all-time at MSU.

Stokes Continues to Win

Melissa Stokes completed her 21st season at MSU with a 464-222 record. She ranks third all-time in victories among MVC coaches, and first in conference wins with 271.

It was the 18th consecutive year that the Bears finished above .500 both overall and in Missouri Valley Conference play, while the Bears have won at least 20 matches in 17 of the last 18 seasons.

Daniele Messa was the 2016 MVC Freshman of the Year

Missouri Valley Conference

The Missouri Valley Conference, the nation's second-oldest NCAA Division I conference, continues to be a leader in college athletics and is one of the nation's most progressive conferences, celebrating its 111th season in 2017-18.

This season will mark the latest chapter for the Conference, as Valparaiso University became the league's 34th all-time member on July 1, 2017. Valpo has been regionally and nationally competitive in athletics with six regular-season titles, two tournament titles, three NIT appearances and two NCAA Tournament appearances in men's basketball in the past six years. And its sports' sponsorship includes all 17 sports in which the MVC conducts a championship.

The Valley brand remains very strong, both regionally and nationally, and the great athletic tradition of The Valley remains a compelling force in recruiting student-athletes and in marketing all the MVC programs. League members have worked together to focus on common goals and objectives, placing a high value on league harmony, while continuing to invest in athletic programs to compete at the highest level.

Men's basketball continues to be the engine that drives Valley athletic programs. In 2017, Wichita State represented the Conference in the NCAA Tournament, and Illinois State hosted two NIT games. The Conference has combined for 13 wins in the NCAA Tournament in the past five seasons, earning multiple bids four times since 2012.

While the success of men's basketball has received the greatest attention, the overall performance of league teams in virtually every sport continues to raise the national profile of the Conference.

In women's basketball, four Valley teams reached post-season play. MVC regular season and tournament champ Drake and at-large selection UNI represented the league in the NCAA Tournament. Missouri State represented the conference in the WNIT, while Southern Illinois earned a postseason bid into the WBI. The MVC claimed two bids into the NCAA tournament for the first time since 2013 (Creighton & Wichita State) with this year marking the first time since 2000 that the MVC has placed two teams into the field seeded 10th or better. Drake finished the season ranked No. 20 in the AP Top 25 Poll and 24th in the USA Today Coaches Top 25.

In baseball, for the 23rd time in league history, multiple MVC baseball teams earned NCAA bids as MVC tournament winner DBU was joined by regular season champion and at-large selection Missouri State. Missouri State started league play with a Valley-record 18-0 start, surpassing the 1998 Shockers' 16-0 start to the season. The Bears finished the regular season 18-1 after suffering a loss in their final league game. The Bears reached the Super Regional of the NCAA Championship, falling at TCU. A total of 24 MVC players were taken in the 2017 MLB Draft, the most for the league since 2007.

In volleyball, for the seventh time in league history, at least three Valley teams were selected as part of the field of 64 to play for the 2016 NCAA national title. MVC regular-season champion Missouri State was joined by MVC tournament champion Wichita State and at-large selection UNI in the 2016 NCAA field. Three or more conference teams were also a part of the 2007 (4), 2008 (3), 2010 (4), 2011 (3), 2012 (3) and 2015 (4) NCAA Volleyball Championship fields. The Missouri Valley Conference was one of seven leagues to earn three or more bids to the 2016 NCAA Volleyball Championship, putting the MVC among the elite conferences last season.

Meanwhile, the success of The Valley television package is one of the great stories in the league. The MVC Television Network has blossomed into a revenue-generating vehicle and The Valley's most visible marketing tool. Also, The Valley continues to be proactive in upgrading the production and marketing of both institutionally-produced and Conference-produced events.

The summer of 2015 yielded two major announcements on the TV front, as ESPN and the Missouri Valley Conference announced a 10-year extension to their current media rights agreement that will provide increased coverage of Conference events across ESPN platforms through 2023-24. As part of the deal – which continues a business relationship that began in 1986 – ESPN, the Missouri Valley Conference and its 10 member institutions will work jointly to develop in-house production capabilities at each campus that will provide significant national coverage for multiple sports on ESPN3 and hands-on educational opportunities for students. As a result, ESPN3 will showcase a minimum of 820 events a year (a minimum of 70 men's basketball) in the final six years of the agreement on the league's co-branded network (The Valley on ESPN3).

Additionally, CBS Sports and the MVC are in a multi-year agreement to televise Valley basketball games on the CBS Television Network and CBS Sports Network. The deal, which begins this season and continues through 2019-20, is through a sublicense agreement with ESPN. CBS Sports has televised the men's basketball tournament final since 2006.

During the tenure of Doug Elgin, The Valley's ninth and longest-tenured commissioner, The Valley has been aggressive in hosting NCAA events in St. Louis. From 1998-2010, the MVC served as host for a staggering nine NCAA tournament events in that 13-year period, which has made St. Louis one of the most frequent stops on the NCAA Tournament trail. The Valley hosted Women's Final Fours in 2001 and 2009 and the Men's Final Four in 2005. In 2016, The Valley hosted a first- and second-round men's basketball event in Scottrade Center. The Valley also hosted an NCAA second- and third-round men's basketball event at Scottrade Center in St. Louis in 2014, and in 2013, the league hosted an NCAA second- and third-round men's basketball event in Kansas City. The Valley previously assisted with preliminary round men's events in both 2008 and 2012 in Omaha. In April, The Valley was awarded two future hosting opportunities in men's basketball (a regional in Kansas City in 2019 and a first- and second-round event in St. Louis in 2020).

The seeds for the creation of the conference were planted by eight administrators representing five institutions, who met at the Midland Hotel in Kansas City, Mo., on Jan. 12, 1907. The five schools which formed the Missouri Valley Intercollegiate Athletic Association were Washington University of St. Louis, and the state universities of Iowa, Kansas, Missouri and Nebraska. Two months after the initial meeting, two more schools -- Drake University and Iowa State College -- were admitted.

In the fall of 1907, basketball became the first competitive sport. Today, the Missouri Valley Conference sponsors the following sports: baseball, men's and women's basketball, men's and women's cross country and track & field (indoor and outdoor), men's and women's golf, men's and women's soccer, softball, women's swimming and diving, women's tennis, and women's volleyball.

This season, the league will conduct its 107th outdoor track and field championship, its 64th baseball tournament, and its 80th golf championship for the men. Those programs, plus other current sponsored sports of cross country (59 years), indoor track (67), men's soccer (27), women's soccer (21), and swimming and diving (24), have helped solidify The Valley as one of the nation's most respected conferences.

League members include Bradley, Drake, Evansville, Illinois State, Indiana State, Loyola Chicago, Missouri State, Northern Iowa, Southern Illinois and Valparaiso. Central Arkansas is an affiliate member in men's soccer; Dallas Baptist is an affiliate member for baseball; Arkansas-Little Rock is an affiliate member in women's swimming and diving; and Stony Brook competes as an affiliate member in women's tennis.

Missouri State NCAA History

The Bears have appeared in the NCAA Tournament 12 times. The Bears earned an at-large berth in 1982 and lost in four sets at Texas in the first round. In 1990, Missouri State won the Gateway automatic bid and fell in three games at Hawaii. In 1993, the Bears collected the MVC automatic berth and lost in three games to Illinois. In 2003, the Bears returned to the Tournament but lost in four to Arkansas at Manhattan, Kan. In 2005, the Bears won the MVC Tournament to clinch the automatic berth, falling at Missouri in the first round. In 2006, the Bears broke through with the program's first NCAA win, defeating Arkansas 3-1 in the first round before falling 3-0 to Oklahoma. MSU made it three in a row in 2007, losing to Oregon in the first round as one of a record four MVC teams included in the field. In 2008, Missouri State fell to UAB in the first round, while the Bears fell to another Alabama school, Auburn, in 2010 as the MVC matched its 2007 record of four bids. The Bears fell to 15th-seeded Pepperdine in the 2011 first round, lost to Missouri in 2015 in yet another four-bid year for the league, and dropped a three-setter to Ohio State in 2016. The current MVC membership has a 18-46 mark in NCAA volleyball competition through the 2016 tournament. The all-time Missouri State results in the NCAA:

MSU Regular Season Tournaments

The 2017 Dr. Mary Jo Wynn Invitational features five teams and eight matches over three days this season. The Bears' annual in-season tournament plays host to Chattanooga, Illinois, Tennessee State and Washington State.

The Bears will host the annual Dr. Mary Jo Wynn Invitational Sept. 14-16.

The Dr. Mary Jo Wynn Invitational, formerly known as the Missouri State September Classic and Missouri State Bear Challenge, was renamed in honor of Dr. Mary Jo Wynn, who dedicated more than four decades of service to the university as a teacher, coach and administrator.

Dr. Wynn organized women's athletics competition in 1958 with volleyball and tennis teams, and coached the volleyball Bears through the 1971 season, guiding the 1969 team to ninth in the first AIAW championship. She retired from her post as Missouri State senior associate director of athletics and senior woman administrator on July 1, 1998.

John Q. Hammons Student Center

The Missouri State Bear volleyball team plays its home matches in spacious John Q. Hammons Student Center, the home of Missouri State volleyball since the start of the 1976-77 school year.

One of the largest indoor facilities in southwest Missouri, Hammons has a main arena seating capacity of 8,846. There are 4,646 permanent seats and folding bleacher units on the north and south ends each seat 2,100 fans.

Hammons Student Center was constructed at a cost of $5.5 million and was named for Springfield business executive and former Missouri State student John Q. Hammons, who donated a gift of one million dollars to the project.

The facility grew out of a lengthy project begun by Missouri State students in the early 1970s, with actual construction beginning in January of 1975. The structure, completed in the late summer of 1976, is located on the northwest edge of the Missouri State campus. The land for the building was made available to the University in 1972 by the Springfield Land Clearance for Redevelopment Authority.

An additional $326,000 of the total cost came in a grant from the Department of Housing and Urban Development for the facility's eight-lane swimming pool. Parking is located south of the building.

The court in the main arena, two more full-size courts in the east and west gyms under the side seats, and two smaller courts under the bleacher units on the north and south ends are marked for basketball, volleyball and tennis. In 1985, Missouri State acquired a hardwood floor, which is laid over the permanent floor for volleyball and basketball competition.

The office space in women's athletics was doubled in the fall of 1993, and the volleyball locker room was remodeled following the 2005 season, thanks to lead gifts by Chip McGeehan of Marshfield. Several others have made significant gifts to benefit the locker room projects, including Jim and Joan Cologna.

The Missouri State volleyball and softball teams had shared a locker room since the opening of Hammons Student Center in 1976 and each now has its own space with the completion of the two projects. The new locker rooms each include 20 wooden lockers, a team meeting area, a trophy case, sinks, toilets and individual showers.

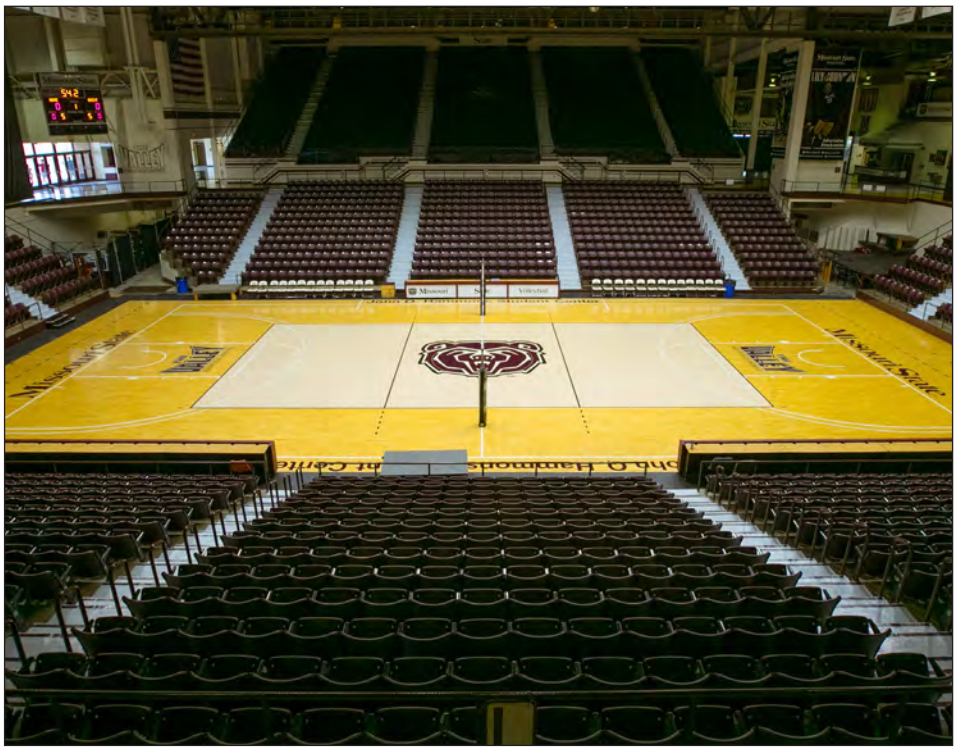
The Colognas are longtime supporters of Missouri State volleyball and pledged a significant gift toward the volleyball locker room. The trophy case is named in their honor.

In 2016, a campaign to replace the more than 2,000 existing seats in the lower bowl with maroon versions began, while numerous cosmetic improvements took place both inside and outside the facility. The seat installation was completed in early 2017.

The swimming pool is equipped for use at either 25 yards or 25 meters and has both one and three-meter diving boards. Hammons Student Center also houses a rifle range, a training room and six racquetball courts.

Hammons contains athletic and building administration offices as well as offices for many coaches, a lounge area, large varsity locker rooms and locker rooms for visiting teams and recreational use.

Performers who have made appearances in Hammons include Bob Hope, Anne Murray, Huey Lewis and the News, Tina Turner, Elvis Presley, Barbara Mandrell, Barry Manilow, Genesis, Dolly Parton, the Harlem Globetrotters, George Carlin, Garth Brooks, John McEnroe, Mikhail Baryshnikov, Amy Grant, Alabama, James Taylor, 98 Degrees and the Dixie Chicks. There have also been appearances in 1986 by President Ronald Reagan, in 1988 by Vice President George Bush and in 2002 by President George W. Bush.



Completed in 1976 at a cost of $5.5 million, Hammons Student Center is home to Bears volleyball and seats nearly 9,000 fans.

John Q. Hammons Student Center

The lounge area and trophy case in the MSU volleyball locker room, which was remodeled in 2005 thanks to lead gifts by Chip McGeehan of Marshfield. The trophy case is named in honor of Jim and Joan Cologna for their gift benefitting the locker room project.

The Jim D. Morris Family Strength and Conditioning Center sits adjacent to the Turner Family Practice Court gives the Bears a dedicated cardiovascular and weight facility inside Hammons Student Center.

Wooden lockers in the volleyball locker room were introduced after the remodel in 2005.
◀◀◀

The Turner Family Practice Court was completed in 2006, helping ease the practice schedule of the volleyball Bears and both basketball programs. The east gym underwent extensive renovations, including the installation of new lighting, wall covering, and the addition of the hardwood floor that was in use in HSC's main arena from 1985 until February 2006. ▶▶▶
